Dear Sir:

Applicants recently received an Office Action mailed March 23, 2004 from the U.S. Patent and Trademark Office in the above-referenced application. In this Office Action, the Examiner made reference to an amendment filed January 9, 2004 which appears to belong to a related case (U.S. Serial No. 09/522,335). Applicants herein suspect that the amendment filed January 9, 2004 was misfiled in the present application.

Furthermore, in this application (Serial No. 09/522,336), Applicants filed via facsimile on March 24, 2004 an *Amendment And Response To Office Action Mailed 12/04/2003* which was a day after the Office Action mailed on March 23, 2004.

Applicants herein request examination and reconsideration of this application based on Applicants' amendment filed March 24, 2004 and not from that of the incorrectly filed

amendment filed January 9, 2004 which was intended for another patent prosecution application.

Respectfully submitted,

By:
